

Acknowledgments

Our Space would not have been possible without the support of the John D. and Catherine T. MacArthur Foundation's Digital Media and Learning program. We are particularly grateful to Connie Yowell, Benjamin Stokes, and Craig Wacker for their support for this project.

The following individuals provided invaluable feedback on earlier drafts of this casebook: Linda Burch, Deborah Chad, Anne Collier, Renee Hobbs, Matt Levinson, Shira Katz, John Palfrey, Jessica Silbey, Margaret Weigel, and an anonymous group of educator reviewers.

We also appreciate the educators and students who piloted these materials at the Arlington Public Schools (Arlington, Virginia), the Baldwin School (Cambridge, Massachusetts), Global Kids (New York, New York); Interlochen Center for the Arts (Interlochen, Michigan), Maine Learning Technology Initiative (MLTI) Summer Institute, Marblehead High School (Marblehead, Massachusetts), members of NML's community (projectnml.ning.com), and participants in the Project Zero Classroom and the Future of Learning Institute.
